Fee Protection Scheme

To comply with the requirements of EduTrust, the FPS is implemented to all students for course fees payment. The Fee Protection Scheme (FPS) serves to protect the students' fees in the event a Private Education Institution (PEI) is unable to continue operations due to insolvency, and/or regulatory closure. Furthermore, the FPS protects the student if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts.

There are two schemes that a Private Education Institution can choose from - the Escrow Scheme and the Insurance Scheme. Stalford Academy employs the Insurance Scheme. Under the fee insurance scheme, private education institutions will purchase insurance protection from any one of the Committee for Private Education-appointed insurance companies for every one of their students to protect their fees. Stalford Academy is using the services of The Lonpac Insurance Bhd, one of the service providers for FPS appointed by CPE.

Stalford Academy's FPS Insurance Policy No.: [Z/17/BM00/000614](#)

Stalford Academy will issue the printed Certificate of Insurance to the student within the same day course fees payment is made. For more information on the FPS, please refer to the CPE website at [\[www.cpe.gov.sg\]](http://www.cpe.gov.sg). With effect from 1 July 2015, to check whether you are already under the FPS, please contact Stalford Academy or our FPS insurance provider Lonpac Insurance Bhd directly.
