PREPARATORY COURSE FOR ADMISSION TO GOVERNMENT SCHOOLS (Primary 2 – 5 and Secondary 1 – 3)

Introduction

This course is specially designed for foreign students seeking to enter mainstream government schools in Singapore. Our course curriculum has a strong emphasis on English and Mathematics to bridge the gap between the foreign and local education systems. Students undergo daily intensive lessons where they would be trained in subjects required for the entrance tests. 3 tests that are conducted at different times of the year for entry into government schools:

Admissions Exercise for International Students (AEIS) – Centralised test conducted by MOE on English and Mathematics from September to October for students who wish to join mainstream schools in January of the following year. Please refer to MOE’s website for more information. [<http://www.moe.gov.sg/education/admissions/international-students/admissions-exercise/>]

Supplementary Admissions Exercise for International Students (S-AEIS) – International students who are unable to make it for AEIS and/or are unsuccessful in previous AEIS attempts can take part in the Supplementary Admissions Exercise for International Students (S-AEIS) from February to March of the following year. However, there will be no admission to the Primary 5 and Secondary 3 levels under S-AEIS. Successful students who passed S-AEIS can join mainstream schools from April to May. [<http://www.moe.gov.sg/education/admissions/international-students/supplementary-admissions-exercise/>]

Individual School Test – Some schools may conduct their own tests to admit students in addition to the AEIS and S-AEIS.

Fee Protection Scheme

To comply with the requirements of EduTrust, the FPS is implemented to all students for course fees payment. The Fee Protection Scheme (FPS) serves to protect the students' fees in the event a Private Education Institution (PEI) is unable to continue operations due to insolvency, and/or regulatory closure. Furthermore, the FPS protects the student if the PEI fails to pay penalties or return fees to the student arising from judgments made against it by the Singapore courts.

There are two schemes that a Private Education Institution can choose from - the Escrow Scheme and the Insurance Scheme. Stalford Academy employs the Insurance Scheme. Under the fee insurance scheme, private education institutions will purchase insurance protection from any one of the Committee for Private Education-appointed insurance companies for every one of their students to protect their fees. Stalford Academy is using the services of The Lonpac Insurance Bhd, one of the service providers for FPS appointed by CPE.

Stalford Academy's FPS Insurance Policy No.: Z/17/BM00/000614

Stalford Academy will issue the printed Certificate of Insurance to the student within the same day course fees payment is made. For more information on the FPS, please refer to the CPE website at www.cpe.gov.sg. With effect from 1 July 2015, to check whether you are already under the FPS, please contact Stalford Academy or our FPS insurance provider Lonpac Insurance Bhd directly.
